Woody, spicy, clean, camphoric

Collection Method

Steam Distillation

Plant Part

Resin

Main Constituents

a-pinene, actanol, linalool, limonene, a-thujene

Description

Known as one of the gifts given to the baby Jesus, Frankincense was highly valued by the Hebrews and used in ointments and even perfumes. This essential oil contains many beautifying properties that can rejuvenate the skin and aid in reducing the appearance of fine lines, wrinkles, and sun spots. Frankincense is also known to aid in cellular function. It soothes and calms the mind, slows and deepens breathing, and is excellent for use when meditating.

Uses

- Diffuse to calm the mind, reduce anxiety and feel peace
- Use in skin care to reduce the appearance of skin imperfections
- Rub on your feet and t-zone area of your face to promote alertness and vitality
- Use with Spark Naturals Carrier Oil for a soothing and warming massage
- Apply to bottoms of feet to balance mood and promote relaxation
- Add to base cream to aid in general skin tone and rejuvenating skin
- Add to your daily skin care regimen
- Take one to two drops in a veggie cap to aid in cellular function

Properties

Antiseptic, Astringent, Deodorant, Diuretic, Sedative and Vasoconstrictor
